

SHRADDHA SHINDE

Frontend Developer

📞 9850617392 ✉ shraddhashinde372001@gmail.com 🔗 inlinkedin.com/in/shraddha-shinde/ 📍 Pune

SUMMARY

Front-end developer with a strong foundation in HTML, CSS, and JavaScript. **Proficient in React and responsive design principles, Certified in Advanced eCommerce Salesforce Commerce Cloud (SFCC)**, Eager to **contribute** fresh ideas and technical expertise to a dynamic team, driving impactful digital solutions.

EXPERIENCE

Web Development Intern

Unified Mentor Pvt. Ltd. Company

📅 07/2024 - 2024 📍 Gurugram, India

- Developed a responsive blog website and an expense tracker, enhancing UI/UX, optimizing performance, and ensuring cross-device compatibility
- Collaborated closely with mentors and team members to troubleshoot issues, implement features, and ensure timely project delivery.

PROJECTS

Expense Tracker Application

📅 07/2024 📍 Gurugram, India

Internship Project

- Created FinanceTracko, a responsive expense tracker **using React.js with real-time updates**
- The project allows users to record daily expenses, categorize spending, and view summaries—helping them track budgets and improve financial health through better money management.

Facial Recognition Attendance System

📅 02/2023 - 06/2023 📍 Pune, India

Academic Project

- Overview:** Developed a web-based *Facial Recognition Attendance System* using Django that automates attendance by capturing and recognizing faces in real-time, with key features including face registration, live attendance tracking, and detailed report generation.
- Impact:** Automates attendance, prevents proxies, and saves time—offering an efficient solution for institutions and organizations.
